

# SET-Plan Conference 2019

Helsinki, 13th–15th of November 2019

## R&I in the energy sector to enhance European industrial leadership

### Draft Agenda

#### 13 November 2019 (Day 0)

##### **Pre-registration**

11-14 *Hotel Crowne Plaza, Mannerheimintie 50, Helsinki*

Registration is required to participate in the technical visits. It is also possible to collect your badge for the conference at Finlandia Hall on 14-15 November.

##### **Technical visits**

13-17 *Departure: outside Hotel Crowne Plaza*

Technical visits will be organised to innovative energy technology sites near Helsinki. More information on technical visits will be available later.

#### 14 November 2019 (Day 1)

*Venue: Finlandia Hall, Congress wing, Mannerheimintie 13c, Helsinki*

##### **Registration and coffee**

##### **Welcome**

9-9.30 **Room A**

The welcome session consists of introductory speeches by high-level participants.

##### **High-level panel discussion**

9.30-10.30 **Room A**

The welcome session will be followed by a panel discussion on the policy context of the SET-Plan.

##### **Coffee break, networking and press conference**

##### **Session A.1: Technologies, value chains & materials for RES**

11-12.30 **Room A**

FINLAND

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 882234

The session will explore various renewable energy technologies such as solar power, ocean energy, hydrogen and offshore wind power as well as their storage options.

### **Session B.1: Nuclear Innovation for a Clean Energy Future**

11-12.30 Room B

The session focuses broadly on nuclear innovations with some specific discussions on small modular nuclear reactors.

### **Lunch**

### **Session A.2: The EU's electricity system of the future – and sector integration**

14-15.30 Room A

This session focuses on innovations striving towards electrification and smart sector integration.

### **Session B.2: Education and empowerment in the energy sector as catalysts for fostering clean energy R&D**

14-15.30 Room B

The session will focus on how to educate, empower and recruit the best clean energy talents.

### **Coffee break and networking**

### **Session A.3: Transition to climate-neutral and circular industry**

16-17.30 Room A

This session will present European industries which deploy new technologies and take big steps forward to mitigate climate change and improve competitiveness in a clean, safe, sustainable and affordable way.

### **Participatory Session B.3: Technologies, value chains & materials for renewable energy**

16-17.30 Room B

### **Welcome reception hosted by the City of Helsinki Dinner at Pörssitalo**

## **15 November 2019 (Day 2)**

*Venue: Finlandia Hall, Congress wing, Mannerheimintie 13c, Helsinki*

### **Registration and coffee**

### **Session A.4: Financing R&I at an industrial scale**

9-10.30 Room A

The session will discuss how to finance the transition towards net-zero emissions and circular economy.

### **Participatory Session B.4: The EU's electricity system of the future – and sector integration**
